

Photon Energy Group is a group of companies with a shared mission: making clean energy, clean water and clean environments accessible to everyone.

Photon Energy and **Lerta** provide comprehensive renewable energy solutions, including solar power and energy flexibility. **Photon Water** offers water treatment and management solutions, and our remediation technology removes contaminants from water and soil.

A publicly traded company operating in over 15 countries across two continents, we combine a global outlook with localised expertise.

Since our founding in 2008, we've expanded to a team of more than 400 employees around the world. And we're committed to fostering a culture of shared values and sense of purpose as we continue to grow.

Service Engineer / Technician

Key Responsibilities

- ▶ Solving technical issues that arise in photovoltaic power plants in line with attribution
- ▶ Oversight of technical issues related to photovoltaic power plant maintenance and support in troubleshooting and the repair of technical faults
- ▶ Collaboration with technical manager for solving allocated tasks
- ▶ Preparation of work reports
- ▶ Cooperation with local service partners and subcontractors, manufacturers and distribution companies
- ▶ Participation in the internal provision of workplace health and safety practices
- ▶ Maintenance of quality and contractual compliance in the delivery of service reports to customers and clients

Qualifications and Experience

- ▶ Soft skills: communicative, organised, strong time management skills
- ▶ Hard skills: knowledge of Microsoft Office suite, troubleshooting, writing reports
- ▶ Education: high school, university
- ▶ Experience: Electrician or electronist experience (IIB authorisation ANRE is a plus)
- ▶ Languages: Romanian (fluent), English (B2+)
- ▶ Driving license is a must

Our Offer

- ▶ An interesting job at a fast-growing global organization in the promising fields of renewable energy, environmental remediation and clean water technology
- ▶ Company culture built on trust and diversity
- ▶ Remuneration reflective of individual experience and skills
- ▶ Indefinite full-time employment contract
- ▶ Remote job from home with travelling
- ▶ Teambuilding and corporate events
- ▶ Support for ongoing professional growth through tailored training sessions, courses, and more
- ▶ 21 days of vacation, 1 CSR day (a working day dedicated to a non-profit organisation aligned with the Group's mission and values)
- ▶ Meal allowance (Edenred card)
- ▶ Medical package allowance (Regina Maria)
- ▶ Laptop and mobile phone
- ▶ Company car

If you are interested in the position and fulfil the above requirements, please apply online or send your CV to careers@photonenergy.com.
